Determination of Placement After Round Robin Play

- 1) The teams with better win/loss records will get higher standing.
- 2) If two teams are tied in the standings, the winner of their head to head game will be considered the higher placing team. If THREE teams are tied, the following rules will be used to determine the proper placing:
 - a) Head to head game between the tied teams
 - b) Teams will be ranked by point differential using only the games played between the tied teams
 - c) If still tied for two or more teams, then total points scored in all games played between the tied teams shall be used
 - d) If still tied for two or more teams, the point differential using all round robin games shall be used for remaining tied teams
 - e) If still tied for two or more teams, the total points scored in all round robin games shall be used for remaining tied teams
 - f) Coin toss
